

Code of Conduct Requirements at StarEvents Festivals During COVID-19

StarEvents is committed to providing a safe and welcoming experience for everyone involved in all aspects of our events. All participants including but not limited to attendees, vendors, sponsors, employees, volunteers, service providers, clients, and more are expected to abide by this StarEvents Code of Conduct. This code applies to all of StarEvents junctions, including those sponsored by other organizations but held in conjunction with StarEvents events, either in public or private facilities.

During these unique and challenging times, StarEvents is committed to continuing to provide a safe and healthy environment for all event participants and staff. All participants are expected to adhere to and abide by the safety precautions StarEvents has implemented to protect against the spread of the COVID-19 virus, including social distancing, mask wearing, personal hygiene and hand sanitization, adherence to pathway signage, self-monitoring, self-reporting, and more. These precautions are outlined in further detail below.

Refusal to adhere to these policies and abide by these precautions may result in immediate removal from a StarEvents event and cancellation of the registration, without receiving a refund.
